To all professionals, members of a union affiliated with the Fédération du personnel professionnel des collèges (FPPC-CSQ)

Subject: CEGEP Professional Staff Week

Hello,

The CEGEP Professional Staff Week will take place from November 17 to 21, 2025, under the theme “Recognizing employee contribution fuels engagement.” This year's theme is particularly important in this period of budgetary restrictions, combined with an increase in the student population in several CEGEPs. In this sense, the contribution of professional staff is in high demand. This year, once again, our expertise and commitment will make a difference in the success of students.

The FPPC's Mobilization Committee would therefore like to offer you a festive activity, the second edition of “Extraordinary BINGO for Professional Staff Week,” hosted this year by comedian Alexis Fortin. This event will take place on Tuesday, November 18, at noon on the Zoom platform. All members are invited to participate and will have a chance to win prizes. You can join alone or in a group with colleagues. Here is the link to this event: <https://zoom.us/j/93448932799>.

CEGEP Professional Staff Week is always a time for colleagues to reconnect. Therefore, in what has been a more difficult year in our workplaces, let's take advantage of this activity to get together and remind ourselves of everything we do in CEGEPs and why we do it.

In closing, on behalf of the members of the various committees, the Executive Council, the FPPC employees, and myself: Happy CEGEP Professional Staff Week!
